This policy is a PrOmilej which provides comprehensive insurance for your private car and covers:

- Loss or damage to your vehicle due to accident, fire or theft within the allocated mileage; and
- Third party bodily injury, death or property damage irrespective of the allocated mileage

2. What are the benefits provided?

The benefits provided under this policy are as follows:

- This policy will indemnify you if your vehicle is lost or damaged within the allocated mileage arising from:
 - Accidental collision or overturning;
 - Collision or overturning caused by mechanical breakdown;
 - Collision or overturning caused by wear and tear;

 - Breakage of windscreen, windows or sunroof including lamination / tinting film, if any;
 - Burglary, housebreaking or theft;
 - Malicious act; or
 - While in transit.
- The total liability for third party bodily injury and death is unlimited, however the total liability is limited to RM3 million for third party property loss or damage in respect to one claim or series of claims arising out of one event;
- This policy will cover for the person's legal representatives for liability covered following the death of the person;
- This policy will cover for the legal cost up to maximum of RM2,000 for defence of any charge including the charge of causing death by driving the vehicle; and

Optional benefits that you may wish to purchase by paying additional premium:

- All Drivers
- Breakage of Glass in Windscreens / Window
- Passenger Liability Cover
- Legal Liability of Passengers
- Special Perils (Flood & Landslide)
- Strike Riot and Civil Commotion (SRCC)
- NCD Relief

Note: It is an offence under the laws of the Republic of Singapore to enter the country without extending passenger liability cover to your motor insurance.

Duration of cover is for one year. You need to renew the insurance cover annually.

3. What is PrOmilej?

PrOmilej offers all the benefits of Comprehensive car insurance at a premium which accounts for your reduced mileage in a year. It is based on the maximum distance you estimate to travel during the period of insurance. Traditional comprehensive private car insurance can be expensive, particularly if you do not drive a lot. This type of policy offers a more flexible approach to car insurance than traditional comprehensive insurance.

a) How does it work?

Choose a drive plan that suits you best (depending on your usage) and the less you plan to drive, the more you save. PrOmilej can give you full comprehensive cover provided the premium has been paid on time, and you stay within your allocated mileage. Third party cover is unaffected by your mileage.

Your premium paid will be reduced depending on the drive plan you choose.

Optional Benefits:

- a) Windscreen Damage
- b) Damage arising from flood and landslide
- c) Strike, Riot and Civil Commotion

All optional benefits for PrOmilej policies issued from 14 April 2023 will be entitled to full cover i.e. they will not depend on the mileage.

b) How many PrOmilej plans are there?

There are 3 Plans available for you to choose:

Plan	Mileage Plan
Plan 1	Less Than 5,000km
Plan 2	Less Than 10,000km
Plan 3	Less Than 15,000km

c) What happens if I exceed my allocated mileage?

If you have exceeded your allocated mileage and the Grace Mileage before the end of the period for which you're insured, you will only be covered for third-party bodily injury or death and third-party property damage but not loss and damage to your vehicle due to accident, fire or theft.

For policies issued after 19 March 2021 and before 14 April 2023, the optional benefits listed in a. will not be covered if you have exceeded your allocated mileage and the Grace Mileage.

IMPORTANT NOTE

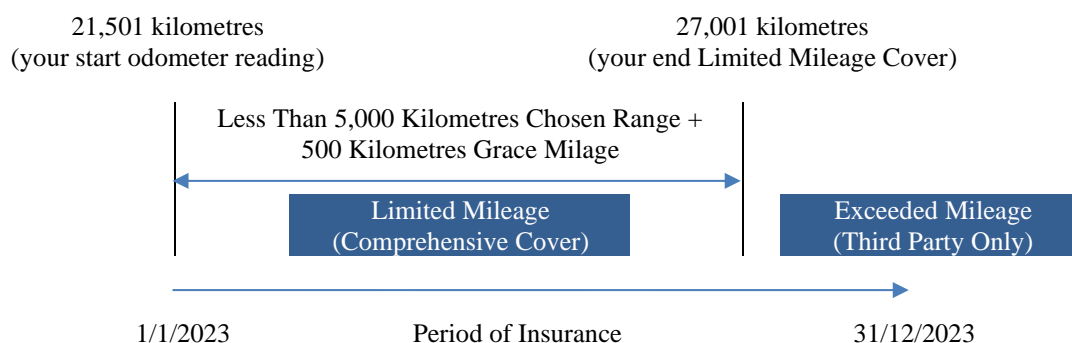

It is important to ensure you remain within your allocated mileage. A claim in the event you exceed your allocated mileage converts your policy to a Third-party policy. This can lead to a financial burden. Examples include:

- You will not receive a payout from us on a damage or theft claim. You will thus need to bear this cost on your own.
- You will be required to bear the full outstanding loan amount if your vehicle is still under the Hire Purchase.

However, the burdens above will not be applicable to you if you top up your policy to the next level of drive plan or to the Full Mileage Cover, before you exceed your allocated mileage.

For your own benefit, the top up should occur before the mileage allocation is reached. You will not be allowed to top up after an incident occurs if you have exceeded your allocated mileage. Thus, it is important to monitor your mileage and top up your policy to the next level of mileage or to the full mileage cover if you think you will exceed your allocated mileage by the end of the period.

The illustration below provides an example where you have purchased less than 5,000 kilometres of cover:

- d) How much is the Top Up required to enjoy the full coverage?
The Top Up required is the difference between the premium charged on the next level of allocated mileage or the Full Mileage Cover and the premium charged on your current allocated mileage.

	Premium (RM)
Current Allocated Mileage (Less than 5,000km)	100
Next level of Allocated Mileage (Less than 10,000km)	120
Top Up Premium	20

Note: The table above is for illustration purpose only.

- e) What is Grace Mileage?
Additional 500km is provided to you if you exceed your mileage before the end of your policy period.
- f) What happens if I exceed my allocated mileage one month before the end of my policy?
If you have exceeded your allocated mileage and your Grace Mileage, and you have not topped up, you will only be covered for third party bodily injury or death and third party property damage but not loss or damage to your vehicle due to accident, fire or theft.

(For PrOmilej policies issued after 19 March 2021 and before 14 April 2023, optional benefits listed above in a. will not be covered if you have exceeded the allocated mileage and Grace Mileage).

- g) Can I change my chosen mileage cover range?
Once cover has started, you can top up to the next level of mileage available or to Full Mileage Cover by paying an additional premium. A maximum of 2 Top Up's are allowed. If you top up for the second time, you can only top up to Full Mileage Cover.

Your current allocated mileage plan will be replaced by your new Top Up mileage plan.

- h) Can I get a refund on my unused mileage?
No, there will be no refund or carry over of your unused mileage when you renew.
- i) Can I purchase e-hailing (add-on) with PrOmilej?
No

- j) What should I be responsible for?
- Providing an accurate odometer photo and odometer reading at the start of your policy, renewal or claim.
 - Ensuring to set an adequate mileage cover range for your period of insurance.
 - Regularly checking your odometer to make sure your mileage cover range has not run out. Top up whenever necessary.
 - Ensure your odometer reading is functioning all the time.
 - Submit a picture of your odometer reading via our mobile app at any time to get confirmation of mileage remaining.

k) What should I be aware of?

We have the right to check the odometer reading you provided by:

- Inspecting your car; or
- Asking you to take your car to an agent that we choose; or
- Asking you for documents, such as photographs of your car's service records.

We will contact you within 14 days after you purchased this policy:

- To ensure you are fully aware about the benefits and features of this product; or
- To ensure you have submitted an accurate odometer photo that matches with the odometer reading you entered; or
- To allow you to cancel with full refund (you will have to cancel your road tax first), convert it to a Comprehensive (by paying us additional premium) or a Third Party, Fire and Theft product (we will refund you the excess premium).

Following 3 failed attempts to contact you, we will assume you have fully understood the policy and wish to remain on cover.

We will not pay any claim for damage to your vehicle due to accident, fire or recovered theft, where your car's odometer:

- Has been tampered with, replaced or manipulated to alter the odometer reading; or
- Is not working and you have not had it repaired; or
- Reading at the policy inception was incorrect; or
- Reading at the policy inception does not match with the odometer photo.

4. How much premium do I have to pay?

The total premium that you have to pay consist of the standard coverage premium amount and an adjustment based on your mileage plan. It will vary depending on the chosen plan and the no-claim-discount (NCD) entitlement and the underwriting requirements of the insurance company.

The standard coverage premium amount is calculated in accordance with the De-Tariff pricing factors.

Cover for additional mileage will incur additional premium.
